Dear Parent/Carer,

Following the Government announcement yesterday I am able to confirm that we have to go into Lockdown from today and that it looks likely to be in effect up to the February half term.

School Provision will include:

- Provision for Nursery pupils
- Provision for Designated pupils of Key Workers
- Children on our vulnerable list

We have to adhere to strict criteria so that we are fair to all families. We have received many applications and need to adhere to stringent criteria for admission. As a result we have had to decline a number of requests for places.

For those families who do not get a place please note tht there will be an opportunity to appeal this decision to Governors. An appeal letter template will be sent to all parents tomorrow, with the request that it is returned to the school by return so that governors have a chance to consider all appeals ready for the start of next week.

I apologise for the inconvenience caused and hat we cannot help all our families as we would ideally have liked.

Kind regards

Mr Richard Wright  
Executive Headteacher
