

Number the Numicon Shapes

An activity linking Numicon Shapes, numbers and numerals

What you will need...

- Numicon Shapes 1-10
- Numeral Cards 1-10

What to do...

- With your child put the Shapes 1-10 in order and match the correct Numeral Cards to the Shapes. 

What next...

When your child can do the first part easily, try this:

- With your child spread the Numicon Shapes out on the table.
- Take it in turns to place a Numeral Card on the matching Numicon Shape until all the Shapes are covered.
