**After School Club** - Our After School Club runs every evening during term time and is available to all the children. It includes basic homework options for reading and KIRF practice as well as art and crafts, games and sports.

#### Coming soon...

- Computer Programming Club with Mrs Wright
- We are looking to extend football provision on a Friday, including during school time, so all pupils who want to do this club can join in.

**Other Sports Provision** - Every afternoon on Tuesday, Wednesday and Thursday is a sport afternoon and children in Y1/2 and Y3/4 and Y5/6 combine for specialists lessons with sport coaches and staff. These sessions may involve participation in activities outside of school (for example at our partner school in Kirkby Malham, Giggleswick Junior School, or with Keighley Cougars / Settle Cricket Club)
