

## SETTLE CE PRIMARY SCHOOL - SKATE PARK SURVEY

The Town Council have plans to install and manage a Skateboard Park in the local park adjacent to Settle CE Primary School. A request for feedback from parents regarding plans was issued to parents approximately two years ago via letter and with information/proposals placed on the school website. Feedback from parents and the community to the school, were minimal at the time, however, there is currently growing debate amongst the community regarding the proposal. What are your views? By sharing them with us we can more accurately gauge local opinion from those *in favour* or *against* the proposal. All feedback will be shared with the Town Council. Please note, however, that the decision to proceed with the plans is not a matter for the school to decide but a matter for the Town Council.

*A letter has been provided (which we attach) from the Town Council to clarify its current position. We hope parents find this helpful.*
