Dear Parent/Guardian

This week we have published a Federation Plan for managing Coronavirus. If not received or you have not seen it then please be aware that there is a copy on the school website via the following link: settleprimary.org.uk

I would like to emphasise that all pupils should adhere to the latest advice regarding symptoms and self-isolation - if they have a new continuous and persistent cough or high temperature (37.8 degrees or higher) then they should stay at home for 7 days.

If they are fit and well, then they should continue to attend school as normal.

The links below provide more information.

We have a responsibility to each other to ensure good hygiene and to prevent the spread of any germs or virus. In these unusual times it is definitely best to be safe than sorry.

I reserve the right to request that a child be collected from school if I believe they are unwell or if their circumstances contravene school policy and official guidance.

Kind Regards

Mr Richard Wright
Executive Headteacher
