

Dear Parent/Guardian

**Welcome to the new school website!**

The website will form the key communication link with parents and will be updated each week. Consider the website to be a virtual newsletter that will be constantly evolving, containing all the information you need about the school.

We will still post items of Facebook but our main focus will be the website so please be sure to check this site regularly.

Traditional letters, emails and texts will also be sent out when necessary but in order to find up to date information about your child and their class we *encourage parents to log onto the website class page.*

Please let us know what you think of the new website by giving us some feedback. We look forward to receiving constructive and positive feedback and are open to new ideas for how to develop the site still further.

Many thanks

Mr Wright  
Headteacher
