Our school is easily accessible on public transport and benefits from on-site car parking. We are able to offer the successful applicant a creative, fun and caring environment in which to work.

We are looking for someone with:

- Substantial experience and training to work with children in Early Years and/or Key Stage One
- Genuine passion for working with young children, including those with Special Educational Needs
- A positive and helpful attitude
- Someone who has high standards and is able to use their own initiative
- Someone who is hardworking, caring, conscientious and a team player

We are able to offer:

- A professional and supportive staff team
- Wonderful children and supportive families
- Competitive rates of pay, including County Council pension/staff benefits
- Access to CPD training
- Assignments within a variety of settings including at our partner school Kirkby Malham Primary

This is a fantastic opportunity for someone looking for a rewarding role who wants to begin, or further develop, their career within the Education Sector.
