

Year 1
Spring Term 2

School Assessment

Your child will be tested 3 times throughout the half-term.

Each time they complete the KIRF correctly they will get a tick.

3 ✓ = 10 house points!

Then try the mastery activities.

Remember to test in a random order!

Use practical opportunities for adding in everyday situations, e.g. counting the fruit in the fruit bowl.

There are three apples and 2 bananas. How many pieces of fruit altogether?

Write down numbers which add together to make a given total.

Mastery Activity Ideas to try at home!

Draw part whole models to show the different ways of making ...

Find the missing numbers.

I have 8 buttons altogether. I have 3 buttons in my right hand, how many in my left hand?
